TY GWYN (WHITE HOUSE)

Inside The White House

Your monthly newsletter from Ty Gwyn Education Centre

January saw the launch of the 100 club, promoting improved attendance across the whole school. Our first 100% attendance week started on the 10th January with prizes for every learner on the following Friday. Missing even one day a week can have a dramatic effect on learning and attainment over a whole school year.

ATTENDANCE MATTERS
every student, every day

GET 2 SCHOOL
STAY IN THE GAME!

January 27th saw us mark Holocaust Memorial Day where we remember the six million Jews murdered during the Holocaust, alongside the millions of other people killed under Nazi persecution of other groups and in genocides that followed in Cambodia, Rwanda, Bosnia and Darfur.

We shared the story of Dr Martin Stern and held a minute's reflective silence in our assembly. (See website for further details).

Rights Respecting Schools ShoeShare

From 31st January we took donations for the ShoeShare collection in school. We asked everyone to donate one pair of clean and useable shoes or boots or trainers which we then took to Clark's who ensured the shoes went to places in and outside of the UK to help children who are not able to access their right to a good education, health care and development opportunities. It was a great success and a huge thank you to everyone for their kind donations!

On February 2nd we were pleased to welcome Evan to our school assembly to tell us about Kooth, an online platform and counselling service for young people in our area.
This is a much needed confidential and free support service particularly after the pandemic where people have faced such social isolation.
Each learner will be given a card they can keep in their phone case or purse/wallet and it's there when needed.
Article 27 the right to the conditions you need to live well.

Place2Be's CHILDREN'S MENTAL HEALTH WEEK 7 - 13 FEBRUARY 2022

This year Children's Mental Health Week took place between 7th and 13th February with the theme, 'Growing Together' asking children (and adults) how they have grown and how they can help others grow. The Young Person's Mental Health Toolkit has recently been reviewed and updated to ensure that it meets the changing needs of young people, at what has been a challenging time for all of us. Also check out the official website: childrensmentalhealthweek.org.uk for activities around this year's theme.

WE ARE HERE TO SUPPORT YOU AND YOUR CHILD TO GET THE VERY BEST OUT OF THEIR TIME AT TY GWYN. IF THERE IS ANYTHING YOU NEED PLEASE CONTACT US ON 0770 0770 665. ALSO SEE SCHOOL WEBSITE FOR SOURCES OF HELP AND ADVICE.

School attendance fact: Research shows that missing just two days a month negatively affects a pupils's academic achievement.
